25X1A2q 25X1A9a take over Project however, they wanted to do this with the understanding that would not have anything to do with it. Luke said that he could not get very much out of the FE people as to what was wrong with but needed guidance as to how to handle him or how to get rid of him. 25X1A9a Luke brought to my attention an ICA paper which stated that ICA is go-25X1A6a \$14.5 million in connection with the development of ing to grant inas-25X1A6 airports and airlines. He anticipates that this may cause trouble in much as we have been much more niggardly in our contribution to that country. There is nothing for us to do about this, however.

8. Talked to Dick Smith and Mr. Townsend of Fairfax County about doing something regarding the unfavorable publicity we are now getting in connection with the Langley site.
